

ABEL TASMAN CRUISE-FLY DAY TOUR EX NELSON

Experience Abel Tasman & Golden Bay by air, land and sea

Enjoy a great day out that gets you off the beaten track. Explore the Abel Tasman National Park and Golden Bay with no retracing of your steps. This tour is packed with fantastic sightseeing and experiences.

Your day starts with a 7.50 am departure from Nelson airport. Relax and enjoy the shuttle transfer with commentary by road to Kaiteriteri beach, the coastal beachside town at the start of the Abel Tasman National Park. Then take the 90-minute scenic boat cruise the length of the Abel Tasman National Park to Totaranui, keep a look out for seals and dolphins along the way!

Arriving at 11 am, spend an hour on Totaranui's golden beach. With its pristine, beautiful golden sand, clear water and lush bush, this is the perfect place to enjoy your picnic lunch and soak up the scenery. Go swimming, relax on the beach, take a short walk in the National Park or read about the area's history at the DOC Visitor Centre.

Leaving Totaranui at noon, travel the limestone coastline to Takaka aboard a 50-minute shuttle tour, hearing about the history and environment of Golden Bay along the way.

Stop at Te Waikoropupu Springs - the largest cold water springs in the southern hemisphere with some of the clearest water ever measured. The walk to the springs is an easy 30-minute loop taking you through native bush past old gold mining trenches to the viewing platform.

Then at 2.20 pm, it's time to farewell Golden Bay in style with a scenic flight back to Nelson, flying over the gorgeous Abel Tasman coastline. During your flight, you will be wearing a headset so you can talk to others and the pilot, and listen to the pilot's commentary about the places you fly over. Your tour ends at Nelson Airport.
